

~For Foreign Residents~

Please participate in

2015 National Census

What is National Census?

This is an official survey to grasp the actual population and family formation of residents in Japan. The questionnaire will be about sex, year and month of birth, nationality, occupation etc. and the research results will be summarized.

The government plans measures for better living environment, disaster prevention, and welfare, and then carries them out.

Foreign residents are also surveyed !

All the residents in Japan will be surveyed regardless of nationality.

No risk, no loss !

All the Information collected is used only for survey purpose.

- ◆Data is processed in a way that individuals are not identified.
- ◆No information is disclosed to the police or the Immigration Bureau
